

## **Desert Cove Homeowners Association**

---

**Secretary**

**Linda Hill**

**September 2021**

**1st year of 2 year term**

I am a Jack of all trades. I like to say I have a resume not a career. Raised by a great set of parents and living with one annoying brother my family moved around Ontario until I left home to attend University. However, I had started dating my soon to be husband in high school so it was no surprise that we married 4 years later. Jim was a member of the RCMP so moving was part of our life for 35 years. We lived in Sask, Ontario, NWT, Alberta and BC. During that time, we raised two wonderful boys and had many adventures.

As we moved around an average of every 3 years it was hard to maintain any sort of job longevity. I have been a hardware clerk, teacher, teacher's aide, bank teller, Alberta Environment employee, Base Orderly Clerk at CFB Suffield, Executive Secretary to CFO, school secretary, Vernon Cadet Camp Base Commanders Secretary, Executive Assistant for Vernon Entrepreneur all the while mothering and being a wife.

Over time I have volunteered as a Beaver and Guide leaders, baseball coach, Sunday school teacher and Church club leaders, driver for hockey events, craft teacher, Event coordinator for Lawn Bowling Club and more I cannot remember.

I like people and interacting with them. I like to organize things. I like to do crafts, woodwork, carving, painting etc. with my hands. I like to entertain friends and play games.

I felt this role would be a great way to meet more people and find out the workings of our community. It would appear that we have a wonderfully jelled group of people willing to come forward and help to keep us all busy and informed.
